

TrumSCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE

September 12, 2008

Permit Number: OCRM-08-215-T
Permit ID: 64434

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: South Carolina Department of Natural Resources
Attn: James Radar
PO Box 37
McClellanville, SC 29458

LOCATION: On and adjacent to Intracoastal Waterway at Santee Coastal Reserve 220 Santee Gun Club Rd, McClellanville, Charleston County, South Carolina. TMS#: 820-00-00-004.

WORK: The work as proposed and shown on the attached drawings consists of constructing a trunk system at an existing impoundment. Specifically, the applicant seeks to build a 2' x 5' x 28' wooden trunk that will connect the Atlantic Intracoastal Waterway to a Wildlife Management Area impoundment on Murphy Island allowing for increased water circulation within the property. The work as described is for improvements to the impoundment within the Wildlife Management Area.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before October 12, 2008. For further information please contact the project manager for this activity, James Trumbull at 843-953-0218.
